MR. BHASKARAPPA (Srinivaspur Taluk).—

Q.—20. Will the Government be pleased to state:—

(*a*) The important crops grown by the raiyats in each taluk of all districts?

(*b*) The quantity grown in every taluk per acre?

(*c*) The value of one acre of wet, dry, *bagayet* and coffee lands, in each taluk and the maximum and minimum values thereof?

SECRETARY TO GOVERNMENT, GENERAL DEPARTMENTS.—

A.—20. (*a*) The different kinds of crops grown in several taluks of the State are given in Table IV of the Mysore Season and Crop Report for 1927-28.

(*b*) The yield per acre in terms of annas is given in Part II of the same return.

(*c*) This information cannot be furnished, as the maximum and minimum values of lands depend upon various features, such as location, nature of soil, demand for them, availability of labour, etc., and vary from village to village.

MR. G. S. BYANNA (Gudibanda Sub-Taluk).—
